  - Computer Training
  - English (Story and Music)
  - Laboratory facilities
  - Transport and inter-school/college services
- Future action
- Computer facilities from class -V
- Boarding facilities from class-7

## About ODMCS

The Orissa Multipurpose Demonstrative (ODM) Community School strives to enhance and enrich the quality of modern education in rural tribal areas. Established in February 2010, the school is managed by NYSASDRI, a state level NGO with over two decades of experience in educational service work. This school has established a strong base of successful students by providing them with modern facilities and learning materials. This student base will also have access to proper secondary education at the school, from grades I to V.

The ODMCS employs the English Medium school type, teaching all subjects in English to greatly improve the students' ability to pursue higher education. The curriculum also adheres to the Indian CBSE standards. Currently, 76 children (in classes Nursery, Lower Kinder Garden, Upper Kinder Garden and Standard I) are receiving education at the ODMCS. Community awareness programs are also run by the school so that the families have a voice in their children's education.

## Location

ODM Community School

Kokuajhara, Kashipur, Gondia Block

Dhenkanal district, Orissa PIN- 759016

Phone: 9439973460

## Objectives

To help the poorest children from Dhenkanal tribes and villages to be in position to one day compete with the national elite.

- " Create a world-class educational campus for classes Nursery to Upper Kindergarten
- " Provide children with a safe environment to learn and study
- " Expand the school to reach more children and offer classes I to V
- " Raise awareness about the importance of education in the local population

## Present Facilities

### **Buildings:**

- " 5 classrooms
- " 1 office
- " 1 indoor play & rest room
- " 2 guest rooms with attached bathrooms
- " Residential staff housing
- " Public toilet

### **Sports and Playground:**

- " Indoor and outdoor games facilities
- " Playground with Swings, See-saw, Slide, Merry-go-round, and Sand Pit

**Transportation:**

- " 2 school busses for the students' use

**Academic Subjects**

**Nursery**

- " English
- " Beginning reading and writing
- " Beginning counting

**Lower KG**

- " English
- " Mathematics
- " Cursive writing
- " Reading

**Upper KG**

- " English
- " Mathematics
- " Cursive writing
- " Reading
- " Hindi

**Standard I**

- " English
- " Mathematics
- " Hindi
- " Oriya
- " Environmental studies

All students take part in additional cultural activities, such as the following:

- " Arts and Crafts (drawing, painting, modeling clay)
- " Physical training
- " Singing, Dance, and Music
- " Drama
- " Games
- " Yoga and Meditation
- " Social Behavior

**ACHIEVEMENTS DURING 2010-2011**

With English Medium advanced education

and modern teaching methods, the ODMCS staff is expanding the horizons and opening the minds of the rural tribal children, and providing them with opportunities that are unobtainable elsewhere. The top quality education is provided by well-trained and talented teachers, as well as support staff. These amazing individuals strive each day to make the children feel at home and keep the school running smoothly.

Today, 76 children (45 boys and 31 girls), aged between 3 to 6 years, are enrolled in the school. The children are grouped according to their age into two nursery classes, Lower Kindergarten (LKG), Upper Kindergarten (UKG), and Standard I. This helps them learn and progress most effectively in the English Medium curriculum. Monthly examinations are conducted to help assess the children's progress.

Parent-teacher meetings are organized on a quarterly basis. This has not only given the parents the opportunity to discuss their children's progress, but also gives them a voice to make suggestions about their children's education.

| Staff of the ODMCS School            |                         |                                  |

This interactive process involves parents in their children's education and helps the school to improvise and develop in the fields where improvement is needed most.

The ODM Community School is not only about learning, but also about developing an interest in one's cultural environment. The National Day celebration was observed at the school through our National Flag hoisting ceremony and the children also demonstrated a Flag March inside the school premises. Rakshya

Bandhan (Thread Festival) and other local Festivals were also celebrated on the premises of the ODM campus. To make the children conscious of their environmental values through a "GREEN" environment, a "Sapling Plantation Day" was held, where 230 flower- and fruit-bearing saplings were planted on the campus. Annual Sports, painting, and drawing competitions were organized in the school, and merit certificates and prizes were distributed to winners in the Annual Function of the school.

| Annual examination Result (2010-11) |                |                |                      |          |           |
|-------------------------------------|----------------|----------------|----------------------|----------|-----------|

### Volunteer Services on ODM Community School

International volunteers have helped develop the ODM Community School in the Kashipur area since February of 2010. Volunteers help to make the teaching innovative and entertaining by sharing their skills and experience with the staff. They have also helped construct original teaching and learning materials to help the staff teach the children most effectively. They also help with artistic projects to make the school a friendly environment, such as painting the buildings. This helps the children feel at ease while at the school.

## Annual Sports and Cultural Programme of the School

**Maj. Gen. S. D. Mahanti, Chief Guest  
(Annual Function of ODMCS)**

**Director of NYSASDRI, Sri Sarangadhar Samal**

**Mrs. Sabita Swain, Director of Kalinga Eye  
Hospital, Dhenkanal**

**Asst. Director of NYSASDRI, Sri Dharendra Ku.  
Mohanty**
