Director's Desk :

Having completed 26 years of existence, we have faced numerous challenges and hurdles and thus have always been able to overcome them with our experience and expertise. The year 2020-21 was indeed one such year, being hit by the unforeseen covid -19 pandemic took us all by surprise. It took a toll specially on our development sector affecting our education institutions. When it felt like the worst was over, unfortunately a second wave of Covid again gripped the country with even higher ferocity. Despite this pandemic being unpredictable and unprecedented, it did not stop us from getting our hands dirty and going right back to fixing things up. At NYSASDRI we relied on agility, and a pragmatic approach to counter this pandemic. Till date continued efforts are going on and we are working with people for betterment of their lives.

Regardless the pandemic the swadhar greh continued to rehabilitate and shelter women facing difficult circumstances. The NSJS moved their classes online continued through virtual platforms and conducted the offline exam by completing adhering to the covid 19 safety protocols and procedures. We hosted a vaccination drive at our hospital along with conducting campaigns and distributing relief for covid 19 purpose.

We are very grateful to all of you for your kind support you have extended to achieve the objective and materialize them in action. Special thanks to the members who risked their lives in order to benefit others. We hope our values and our work continue to resonate with you and nudge you to get involved and take action. During this protracted pandemic, I wish that all members of NYSASDRI's family and the country at large stay safe and follow Covid safety protocol.

Sarangadhar Samal
Director

About NYSASDRI:

NYSASDRI' (National Youth Service Action and Social Development Research Institute), a non-profit organization has been evolved from a village youth club of 1973 to an NGO being registered under the Indian Societies Registration Act, XXI of 1860

NYSASDRI operates in mostly remote and inaccessible pockets of 12 districts in Odisha where majority of the population is living below the poverty Line. Our development initiative covers the poor and vulnerable sections of the demography including women, children, elderly, disabled, destitute, marginal farmers, rural artisans and other under privileged groups and disaster victims. Strategically, we have developed an integrated direct service delivery approach through research, advocacy, and networking.

Legal status: NYSASDRI registered under Societies Registration Act, XXI of 1860 (Registration No. DKL-390/80), the Foreign Contribution Regulation Act (FCRA) of 1976 (Regd No. 104890005), section 12 (A) & 80(G) of Income Tax Act in Odisha and CSR00003109

Vision:

To facilitate the process of establishing a just society by enabling underprivileged people to gain power and lead a higher quality of life with access to common resources and necessities.

Mission:

- Empowering underprivileged communities by increased participation in developmental activities
- Ensuring proper utilization of resources within the community
- Raising the level of literacy and expanding access to healthcare and education.

Operational Area & Target Groups

The operational districts are as the following

Angul, Cuttack, Deogarh, Dhenkanal, Jajpur , Jagatsinghpur, Keonjhar, Koraput, Khurda, Puri, Malkangiri and Rayagada.

It reaches approximately 5.2 million people in Odisha with its innovative and sustainable Development strategies.

Strategy:

NYSASDRI's development initiatives are based upon community participation. The goal is to increase participation in the planning, implementation, monitoring and evaluation of programs so that the programs implemented can be sustainable long after NYSASDRI's initial input. This approach also fosters community pride and togetherness.

The strategic approach of NYSASDRI encompasses:

- ♦ Public Education & Awareness, ♦ Development Counseling, ♦ Skill Training in Health, Education and Livelihood Program, ♦ Promotion and Usage of Local Resources, ♦ Networking, ♦ Research.

NYSASDRI affiliation with various National and International organizations:

Swadhar Greh (for women and girls in distress)

For the rehabilitation of women in difficult circumstances, NYSASDRI implements Swadhar Greh that provides shelter to women for a specific period. This shelter home has a capacity for 30 women and 7 children. During the year 2020-21, 27 women and 12 children have been enrolled and added with existing 28 women and 10 children. 28 women and 09 children were Rehabilitated in their families, relative and in-laws house. A total of 56 residents had been given treatment for health checkup. The Swadhar Greh provide support unities to

women for learning income generating vocations like tailoring, Broom making, bamboo crafts, Kitchen

garden, nursery and mushroom cultivation etc. The residents were extended with facilities of accommodation, food, clothes, sundry daily items, counseling, legal aid, entertainment, recreation and healthcare check-ups. Total 6 children continued their schooling in the local Anganwadi Centre and primary school. Under the chairpersonship of Child Development Project Officer, Gondia, a Committee of Swadhar Greh has been formed. The committee reviews the quality of food and other provisions, satisfaction of the residents and quality of counseling given on quarterly basis and recommendations are given for further improvements. Four committee meetings were organized during the year. Festivals were celebrated and observed the national days with immense of joy and happiness.

Family Counseling Centre

The Family Counseling Centre (FCC) of NYSASDRI has extended services to 102 families out of 119 cases enrolled during the reporting year through counseling in joint and individual sessions. Counselors hold counseling sessions where there is active participation from the local Police, Panchayat Raj Institution members, District Social Welfare officer and Protection officer those have authority to reconcile grievances community members may have with authorities in the region. In response to their specific need, some families were referred to legal aid cells, police

- Conducted 37 awareness meetings
- Virtual inspection through zoom on

stations, Swadhar Greh, Ujjawala and the women's cell opened by the government at the district. Four sub-committee meetings have been conducted to support community members with complaints. The sub-committees also conduct reviews of

current programs affecting the community and approve future plans of action. The family counseling centre has conducted 37 nos publicity and awareness campaigns on different social issues in the community about better self-control and reducing violence towards women during the Covid19 and stay at home situation.

Deemed Orphan

During the financial year 2020-2021, 12 children were enrolled with previous 10 children and 9 children got discharged from the home. Special care was rendered to children in the Swadhar Greh.

Necessary support for education along with recreation, additional food supplement, health check-up and medicine for ill children have been provided. Indoor playing materials such as carom, chess, Ludo,

Chinese checker etc, similarly new clothes on special occasion were bought for them. Major festivals, national days and even birthdays of the children were observed inside the home campus.

Residential & Day Schooling Primary Education to Children

NYSASDRI Public School (Educational Complex)

NYSASDRI runs a Public School (Educational Complex for Tribal Girls) at Hukumtola in the Rayagada district of Odisha. Currently, 100 tribal girls are being provided with primary education up to class 5. It has provision for accommodation, food, uniform dress materials, sundry and toiletry items, learning materials and pocket money, excursions like picnics and healthcare check-ups and necessary medications. But due to Covid-19 pandemic situation, virtual classes

were not possible due lack of devices and Covid-19 restriction. Our school teachers are teaching children at their door steps as physical class at school. Regular counselling to the students and their parents are going on, for continuation of education. Supply of dry ration/food stuff, dress materials, teaching materials like books, note sheet, pen, pencil and other education materials as many students are living with economic crisis due to pandemic situation. Repaired windows of hostel building, boundary wall and cleaning of campus.

On 30th September 2020, the Education Complex was inspected by Additional District Welfare Officer, Gunupur, Special Officer, PA, ITDA, Gunupur and Block Education Officer, Bissam Cuttack.

NYSASDRI School of Journalism and Social work (NSJS)

As we know that the pandemic situation became vilest in the 2nd week of March 2020, for which all educational institutions were notified to remain close for a certain period. Hence, looking towards the welfare of students and their career, permission given for the virtual classes and this platform includes making attendance, attending classes, connecting on video conferences, joining

Zoom classrooms. Total MSW-39 & MAJMC-14 enrolled in the academic year 2020-21 and 38 MSW and 07 MAJMC passed out from the institution. Conducted of offline examination 3rd semester students with followed the strict protocol provided by UUC/Govt. Prof. (Dr.) Byomakesh Tripathy, Vice-Chancellor, of Utkal University of Culture visited the college on 25th September 2020 and observed the safety measures taken by the Institution for COVID-19 both by Institution staffs and students. Conducted programme like fresher's day cum welcome ceremony, fare well and observed environment days, Republic Day, Independence day and International Women's Day.

Sponsorship programme & School Partnership Programme.

Under this programme the British Public School (NYSASDRI School), Kashipur, SEED Kanyashram (Tandapally) and NYSASDRI Public School (Hukumtola) partnership programme are going on. Due to Covid Pandemic situation, yet the school was not opened, our teachers rendered education through virtual classes, but those students are not able to attend virtual classes due to network issues. Hence,

as: vegetable cultivation and flower plant planted in the garden undertaken. Renovated the broken boundary wall, colouring of furniture, playing equipment, hostel building front part, changing of roof of cottage, newly constructed ramps beautification and regular cleanness of the school campus etc.

teachers are visiting their home on a rotation basis and guiding them. Creating awareness on Covid-19 and sharing information to children, their parents regarding mandatory wearing of masks, physical distancing, provision of thermal scanning and regular hand washing with soap or sanitizer etc. Further more, campus development activities, such

Health Awareness through Meikirch Model

Zoom Webinar Meeting on Positive Health organised by NYSASDRI with Rotary Club of Bhubaneswar Heritage during the pandemic Covid-19. On 30th August 2020 aforementioned meeting was organised and Prof. Bircher has shared his vast knowledge on clinical pharmacology. His innovation the Meikirch Model is a positive health care approach which is based on the nature of health. In the Meikirch Model he has explained about the demand of life, the biologically given potential and the personally acquired potential. He has focused on five major components under Meikirch Model approaches such as Demands of life, biologically given potential and personally acquired potential, social determinants of health and environmental determinants of health. In this context people are taking a lot of preventive mechanisms to escape the epidemic situation. After analysis of the situation we learn that Meikirch Model approaches are also very helpful to prevent from Covid.

Rotary R.I. District 3262 Rotary Club of Bhubaneswar Heritage is inviting you to join us on Webinar on Positive Health Meikirch Model Switzerland by prominent international speaker Prof. Dr. Johannes Bircher Scheduled on 30th August, Sunday at 6.00 PM (India Time) 5.45 PM Webinar Access Opens ZOOM webinar meeting id: 99653369103, Password: 123456789

Self help support and persons with differently able

As far as we know that the whole country is now plagued by the Corona epidemic. Under such circumstances, when the general public is facing a lot of difficulties, the problems of people with disabilities are very high. The self help program is helping persons differentially able in financial assistance, counselling, vocational training, group efforts etc to them through this group. They were also warned to be vigilant about the Corona epidemic and always take safety measures like use of masks, maintain social & physical distance, regularly wash hands with soaps,

use of sanitizers, and not to go outside home without any cause etc. During stay at home we have supported financially to 30 disable persons for managing during the crisis period. Also distributed vegetable seed kits encouraged them to cultivate vegetables in their land. They cultivate these vegetable seeds which made them financially viable and profitable in the current situation.

Campaign, distribution of relief and special care during COVID-19 Pandemic

NYSASDRI provided essential dry foods to more than 250 migrant labourer and road side destitute in our service area in Dhenkanal. Staffs are engaged in community sensitization work, regularly informed to community about Arogya setu apps, maintaining social distance & hand washing techniques. These are also in practice at our Hospital, Swadhar Greh and among staffs. NYSASDRI supplied materials such as soap and masks to 500 people in the community and PPE for our own doctors and health workers. Counseling services also provided to persons living with panic condition. NYSASDRI has an ophthalmic institute and in our battle against COVID-19, our frontline health workers such as doctors, nurses and other groups have played a pivotal role and providing emergency ophthalmic services to the people are in need. The staff at Hospital not only treat the patients, they are also providing face masks to every visitor to the hospital, so as sensitizing the patients, attendants about the social distancing, hygienic measures to be taken during this out break.

Restoration of Degraded Forests and Livelihood Improvement of Forest Dependent Communities (OFSDP-II)

NYSASDRI is implementing "Odisha Forestry Sector Development Project- BANAYAN" in collaboration with Odisha Forestry Sector Development Society (OFSDS), Govt of Odisha in six Field Management Units (FMU) – Dhenkanal, Hindol, Kamakshya Nagar East, Kamakshya Nagar West, Sadangi and Kapilash of Dhenkanal district. The programme functioning since 1st Dec 2017 and NYSASDRI gained lots of experience in good

platform in the project operational areas. The project has twin objectives of restoration of degraded forests and livelihood improvement of forest dependent communities. In each FMUs 03 staffs consisting of one team leader and one development officer, NRM, Farm Forestry and Institutional linkages, and Development Officer Community Development and Livelihood deployed by NYSASDRI and total 18 no staffs engaged in the progamme. Conducted General

Body Meeting of Vana Suraksha Samiti (VSS), Animator Selection, Formation of Various Working Group Committee, Opening of VSS Bank Accounts, Survey was conducted for Demarcating of VSS Assigned area and prepared maps by using GPS survey

depicting the forest density, species, slope, area of plantation, Drainage line, Forest Resources and other information Micro plan preparation, Capacity Building Training, Convergence program with Line Department, Animators Training, forest development activities like Soil & Moisture Conservation (SMC), Loose Boulder Check Dam (LBCD) and awareness on Forest Fire is going on.

Besides this exposure visit organized to different resourceful institutions. In addition this staffs are engaged in other forest programme like farm forestry, nursery raise, plantation, demarcation of forest, pillar posting, construction of VSS building, and income generation activities with women self help groups are been undertaken under this programme.

Comprehensive Eye Care Services

As the world adapts to circumstances brought on by the pandemic, health and eye care continue to be essential services needed by everybody. In line with the India government's guidelines to carry on providing health care services to those in need,

Kalinga Eye Hospital has partnered with NYSASDRI to offer safe vision screening in time of COVID-19. Through this partnership, 3000 people from underserved communities in Dhenkanal – farmers, women, migrant labourers and daily wage workers

– have received free vision screening and glasses to correct their vision. The vision screenings are conducted following all COVID-19 safety protocols with optometrists

wearing their personal protective kits.

Kalinga Eye Hospital Optical expanded and refurbished the showroom that first opened in 2002. Kalinga Eye Hospital has constructed additional 1200 square feet waiting area for the attendants and visitors. Similarly another 200 square feet area been added to the existing optical shop too.

Three camps were conducted, In Deogarh district through which 78 people were provided

with ophthalmic consultation and 36 people have undergone sight restoration surgeries at Kalinga Eye Hospital.

Kalinga Eye Hospital has started offering tele-consultation sessions only for children with eye specialists for safety.

Presently primary eye care is being provided by Kalinga Eye Hospital through the five vision centres located in different places of Angul and Dhenkanal district. Athamalik and Khajuriakata, Gondia, Bhuban and Rajkishore Nagar.

Particulars	Performance
Hospital OPD Patients screened at the Base Hospital	16167
Surgery performed at Base Hospital	3249
Patients screened in the villages	3242
Sight restoration surgeries conducted at free of cost	2518
Patients provided with Spectacles	3978
Patients screened at Vision centre	4734

Affiliation with NCVRT

This year Kalinga Eye Hospital got affiliated with National Council of Vocational and Research Training for five vocational training programmes, which are six months Certificate course in Optician, One year Certificate course in Operation Theatre Technology, One year Certificate course in Nursing Assistant, One year Diploma course in Ophthalmic Assistant, One year Post Graduate Diploma course in Clinical Optometry.

Vaccination drive at Kalinga Eye Hospital

Kalinga Eye Hospital was selected as one of the vaccine provider institution for Dhenkanal district. In the month of March 2021, Kalinga Eye Hospital a unit of NYSASDRI listed by Government as private service provider institution rendering Covishield Vaccine to 433 above 60 age beneficiaries.

Global Network for Disaster Risk Reduction

Views from the Frontline (VFL) 2019 establishes a local baseline and local monitoring process to measure progress towards achieving an inclusive “people-centred” approach to resilience-building, as promoted within the Sendai Framework for Disaster Risk Reduction (SFDRR) and other frameworks part of the Agenda 2030. In doing so, VFL 2019 aims to increase awareness and strengthen accountability of governments and inter governmental bodies for a people-centred. After data collection and based on conclusion and findings prepared local action plan. Then based on the local action plan, local action planning workshops were organized at respective communities in Jagatsinghpur and Koraput district of Odisha. In the month of June local action plan workshops were conducted, all primary and secondary stakeholders participated and shared their views for strengthening disaster preparedness issues, conservation of ecosystem and natural resources etc. During programme implementation in the month Feb. to March 2021 we have cleared about role clarity of community, local bodies, PRIs and local government officials related to disaster preparedness, resilience building and disaster risk reduction, ecological system and convergence of work etc. Due to Covid -19 the programme was delayed for implementation.

Covid Care Centre

In accordance to every COVID Care Centre must have a dedicated basic life support, in this reference COVID care centre is being continued in the campus of NYSASDRI, Govindpur, Dhenkanal) that is working in a best effective way to fight against the pandemic. Looking on the merits, that the most of the people affected from covid-19 are getting immediate service with an effective manner in their footstep, which is serving all the age group. On these condition, the positive spirit faclean, Hygienic and peaceful environment of the campus is helping to reduce the threat of the pandemic. However the dedication of covid-19 staff is really marvelous and the counselling approach to the patients for positive affirmation as well. Hence, these dedicated efforts are the main reason for reduction in the COVID-19 patient rate within a short period of time.

Success Stories

Case Study -1

55 year Tapoi of Jatani, Khordha was missing from her house last six month from Angul District and rescued by the Bhapur police and left her at One stop center. Next day we rescued her from one stop center Dhenkanal. That time she has lost her memories, she could not recalled her proper address and family details that's why were reached there at 10 am and after referred by One Stop Centre we rehabilitated her in our Swadhar Greh. After five days lived here she could not express her feelings and even could not talk a single word to anyone but gradually she could remember a little thing about her address with family details. After counseling of her, she started to talked about herself and talked with another one and happily mixed with everyone

And after that we properly took of her medical care along with dressed up her as normally changed her behavior and mentality and also gave lots of care and affection to other members and participated in recreational activities of Swadhar Greh. Day by day we found that she was very kind and praised to her son -in-law and daughter and also she always talked about her son and daughter-in- law and grand children, and also she was very happy in Swadhar Greh always praised to Swadhar Greh staffs. But due to her alzheimer's disease some time she could not recognized to herself and once a day she ran away from here and here in our staffs are found her everywhere and finally we rescued her from Bidharpur and through police we connected with her family members. Overall we found she was very innocent and after lost of her memory she by mistakenly misplaced from Anugul to Dhenkanal. Then we found out her proper address with family members through Jatani Police Station. And also her family members whose were already filled a missing case of their mother and too much worried about her missing and they were connected with us through Jatani Police and their family members came to met with her. Finally after met with her family members she was very happy and thank full to Swadhar Greh Staffs and police officers and they were happily taken back to Tapoi Naik to their home at Angul district.

Case Study - 2

Uma Nayak, aged about 26 years old, W/O- Bikram Nayak, belongs to At - Bhubaneswar, Chandaka Patana, PO - Chandaka, PS - Chandaka, Dist - Khordha. She married to Bikram Nayak and both the husband & wife lived together a happy conjugal life till 11years. They have two sons with them. But later on, her husband had extra - marital affairs with another woman, which Uma could not tolerate. She was also tortured both mentally and physically by her husband. So, Uma left her home to save her life. She also wanted to take her sons along with her but her husband and in-laws are refused to give both the children to Uma. She was helpless and worried. So, she filed a case in Family Counseling Center (FCC) for case settlement. FCC gave the notice to both the parties and arranged a session meeting for settlement of the case. After hearing from the both parties, FCC Counsellor advised both the parties to come for mutual settlement. The final decision was discussed as Uma will stay in In-law's house with her children. Her husband will take all the responsibilities of Uma and children. Both Uma and her husband will visit together to Uma's father's house in every three months. All the responsibilities & necessary facilities will be provided to children by her husband, like, he will admit them in the school, as well as in tuition, if the children ever get sick, and he will be taken them to the hospital. He also gave his wife Rs.1,500 in every month to spend. If her in-laws are not providing the above facilities, then they will be punished according to the law. Now the husband and wife are living happily ever after.

Case Study -3

The mission of Odisha Forestry Sector Development project-II to restoration of degraded forest through sustainable forest management and alleviating poverty by the way of Livelihood improvement of Forest Fringed Wellers. Apart of sustainable forest management the drainage line treatment in different nala's implemented in Sinkol VSS forest assigned area under Field Management unit, Hindol. VSS forest assigned area a part of Kandhara R.F covers 195.3 Ha which bears 6 measure Nala's, along with them 3 Nala's treated with 10 nos. of Loose Boulder Check Dam with assistance of Rs.1,18,000 which creates 395 man day for 2 ha area, tends to lead livelihood improvement of VSS people . After treatment of Nala's from ridge to valley it seems reduce of soil erosion and curtail water velocity, as a result regeneration of plants along bay of nala appears increasing as well as ground water recharge tremendously which increases canopy cover of assigned forest area of the Sinkol VSS, also it appears increasing of water level of near by water bodies of village area which leads to improve the Bio-diversity of that area.

Livelihood Support to Kusupada VSS with the support of UCORSETI–Sadar Block, Dhenkanal

In Kusupada VSS all households are ST family and depending on forest. So that P-NGO team planned to organize a training programme on Goat rearing to enhance their livelihood as well as their earning. So on 16.11.2020 at raining programme organized with support of RSETI, Dhenkanal and 28 nos of VSS members participated in the training program. It was a "10 days training program" conducted in Kusupada VSS. The main objective of this training program is to provide hand hold support to any unemployed youth in the age group of 18-45 years, irrespective of caste, creed, religion, gender and economic status, having aptitude to take up self employment or wage employment and having some basic knowledge in the related field can undergo training which is totally free of cost.

Key highlight:

- Our coordination centre Bhubaneswar shifted from Plot No. 138, VIP area to N/2-152 ground floor from 12th September 2020 Saturday.
- On 16th September 2020 at Optical centre of Kalinga Eye Hospital, Dhenkanal handed over with new look.
- Kalinga Eye Hospital Empanelled with ECHS
- Affiliated with NCVRT, New Delhi for New vocational training courses
- Homage (Antaryami Dhala) (from 01.02.1946 to 20.07.2020) our heartfelt condolences to his family.
- Kalinga Eye Hospital is certified as NABH Pre-Accredited SHCO.
- Covid warriors: Two front line staff Sunil Kumar Mishra and Debasis Samantaray both have fought with the deadly disease and finally won the battle.

Involvement

NYSASDRI VOLUNTEER ABROAD OPPORTUNITY:

Volunteers of all ages and backgrounds having unique characteristics with a great passion in making the difference in the life of the poorest of the poor have always been a great resource for the institution. This program is intended to offer you the possibility to learn about and immerse yourself in a foreign culture and practice cross culture. It will offer you the opportunity to showcase your ideas and your work, and at the same time provides NYSASDRI; a uniquely valuable and rich opportunity to learn things from you. And we hope this blending of thoughts, ideas and experience will create a makeable impact on the society in a positive way. It is a great opportunity to make a real difference in people's lives in a short amount of time through Volunteer service. You'll gain perspective and insights while in the same time the satisfaction of helping others by living and working side by side with local residents

BECOME A PARTNER:

Based on our operational area, target group, strategy, core competency vision, mission, issues, transparency and accountability you may select us as a partner agency. We understand that no single organisation - regardless of size, reputation, or service - can effectively supply all aspects of a solution and help. Therefore, we have developed an ecosystem of partners around the world our collaborative partnerships combine best of services and help to the needy person for fulfill their need and dreams. To find out more about our partner program please contact us on: e-mail nysasdri@yahoo.com and nysasdri@gmail.org.
